A large, friendly-looking yellow bear mascot is the central figure. It has a large head, a black nose, and a wide smile. It is wearing a red long-sleeved shirt and a white apron. In its arms, it holds a large, yellow, honey-pot-shaped object with the word "Honey" written on it in a cursive font. To the left of the bear stands a young girl with blonde hair in a braid, wearing a pink and blue princess-style dress with a large bow on the bodice. To the right of the bear stands a woman with long brown hair, wearing a long, flowing pink gown with a subtle pattern and a matching headband. THE ENCHANTED HALL

The Enchanted Hall is a mesmerising blend of history and modern aesthetics, where dreams truly come alive. One side of the hall is graced with beautiful exposed brickwork, lending an age-old charm that contrasts beautifully with the contemporary wooden floors underfoot. High ceilings tower above, offering a choice of ambiance: bask in the warm glow of natural lighting for an elegant high tea party, or switch to a darker mode, perfect for an electrifying disco event. Moreover, backgrounds can be effortlessly transformed to align with any chosen theme. While we provide a light thematic touch, the hall can also serve as a blank canvas, ready to be painted with the unique dreams and visions of its occupants.

FAIRY COURTYARD

The Fairy Courtyard, a serene oasis remarkably close to Brisbane city, boasts one of the largest private gardens you'll encounter in such proximity to Brisbane City. Laden with little secrets and charming nooks, it invites exploration and moments of quiet reflection. While primarily serving as a tranquil retreat where parents can relax and take a breather as we entertain their children indoors, it also offers the potential for marquee upgrades for those envisioning outdoor gatherings. This spacious garden offers both beauty and promise, ensuring guests always have a peaceful spot to unwind.

THE GALLERY

The Gallery is a haven for our adult guests. As children immerse themselves in the enchantment of our venue, parents can retreat to this sophisticated space where they are treated to complimentary tea, coffee, and biscuits. You can also overlook our garden on the balcony. Platter and drink upgrades are available. Uniquely, this space is shared with Wishing Kids Well, hosting boutique art exhibitions that showcase child-friendly masterpieces. Not only does this allow guests to appreciate the artwork, but the profits from these pieces directly benefit children in need. Attendees can potentially find and purchase a beautiful keepsake, merging fond memories of the day with the heartwarming act of giving back.

THE NURSERY

The Nursery at our venue is thoughtfully designed to cater to our youngest guests who may not be participating in the main festivities. Recognising the diverse needs of children, this space also functions as a low sensory room, providing a calming environment for those who might feel overwhelmed by the bustling energy of a party. Adorned with soft play areas to engage and soothe, the nursery ensures that even the tiniest attendees have a place to relax and play. Additionally, for the convenience of parents, the room is equipped with a nappy changing station and a comfortable nursing chair, ensuring that all needs are met with care and consideration.
